

**KENTUCKY COUNTRY DAY  
BEARCAT  
STATE CHAMPIONS**

Kentucky Country Day team state championships or its highest equivalent since the conception of today's coeducational school are listed below. Kentucky Country Day, "KCD" was formed through a cooperative merger of two private college preparatory institutions, Louisville Country Day "LCD" (boys only) and Kentucky Home School "KHS" (girls only) beginning the 1972-73 school year. KCD state runner-up finishers are recognized. Additionally listed below is a tribute to the ancestral era of KCD: honoring all state champions of the two KCD parent schools, **Louisville Country Day "LCD"**, **Kentucky Home School "KHS"** and the two KCD adopted schools, **Kentucky Military Institute "KMI"** and **Aquinas Preparatory School "APS"**.
